

16th International Congress of the
International Maritime Association of
the Mediterranean

IMAM 2015

Towards Green Marine Technology and Transport

The IMAM conferences are traditional forums for the maritime technical community of the Mediterranean, attended by qualified representatives from the Academia and from Professional and Technical Associations of the various fields involved.

The conferences represent therefore a window of opportunity for areas of high potential growth such as the Balkans, Eastern Europe, the Middle and the Near East as well as North Africa.

IMAM 2015 organizing committee warmly welcomes the participation of all players in the Maritime world involved or interested in the development of marine transports and in the exploitation of sea resources in the Mediterranean.

Thematic areas covered by IMAM 2015:

- Hydrodynamics
- Structures
- Machinery & Control
- Design
- Construction
- Safety of Marine Systems
- Marine Environment
- Aquaculture & Fishing
- Defence & Security
- Design - concepts and practice
- Dynamic response of structures
- Degradation / Defects in structures
- Human Factors
- Legal/Social Aspects
- Logistics
- Marine Environmental Protection
- Materials
- Noise
- Non Linear Motions - manoeuvrability
- Off-shore & Coastal Development
- Prime Movers
- Propulsion
- Protection of the Environment
- Safety
- Sea Waves
- Seakeeping
- Shaft & propellers
- Ship Resistance
- Shipyards
- Small & Pleasure Crafts
- Stability
- Static response of structures
- Wind Loads
- Offshore Energy

CALL for PAPERS

Authors are invited to submit papers in any of the fields listed above. Please submit your abstract directly on the web page at <http://www.imamhomepage.org/imam2015/> by the December 1, 2014. The abstracts should include each author's full name, address, direct telephone number and email address. After the acceptance of abstracts, the papers should also be submitted directly online.

PAPER REVIEW

Manuscripts will be reviewed by the Scientific Committee in accordance with the standard practice and criteria and final acceptance of the papers will be based on the review of the full papers.

COMMITTEE AND PROJECT MEETINGS

The organisers of the Congress are able to accommodate requests from Committee or Projects who wish to combine their meetings with the Congress, providing facilities preferably on the last two days of the event.

LANGUAGE

The official language of the Congress will be English. Abstracts and full-length papers must be submitted in English.

PRELIMINARY DEADLINES

Submission of Abstracts	December 15, 2014
Provisional acceptance	February 1, 2015
Submission of Draft Full-Length paper	April 1, 2015
Submission of Final Full-Length Paper	May 15, 2015
Notification of Final Acceptance	June 15, 2015

CONFERENCE CHAIR

Prof. Jasna Prpić-Oršić, Faculty of Engineering, University of Rijeka, Croatia

CHAIR INTERNATIONAL SCIENTIFIC COMMITTEE

Prof. Carlos Guedes Soares, Instituto Superior Tecnico, University of Lisbon, Portugal

LOCAL ARRANGEMENT CHAIR

Prof. Roko Dejhalla, Faculty of Engineering, University of Rijeka, Croatia

CHAIR NATIONAL SUPPORT COMMITTEE

Prof. Duško Pavletić, Faculty of Engineering, University of Rijeka, Croatia
